Ranked Choice Voting – instead of having to piece the lesser of two evils (choices).

Cannabis acts on old trauma receptors, that's why you can sleep so well on it.

I woke up with an erection today and every woman I see looks great!

“Boner Pool.” I'm a Doctor – Meditation/Cooking Class idea (Lawrie's).

Need some process for trespasses at the Co-op. resolve within one year.

Hitchhiking in France and got picked up by two hot babes and they dropped me off at the shelter (bummer). People there would hang out under a bridge during the day. They were a whole family like culture and had wine, etc., their own community. We could set up a place like that here in PT. Kind of like a Boiler Room for old people, with computers, games, yoga. JC Mash could be the location.

Let's come up with a Business Plan to propose to the JC Mash board on this idea. What are we going to need to set-up? Computers. Train the occupants to be advocates on “how to work the system.” “Service Dog” helpers.

Next meeting will be Saturday, February 17, 2018 at 10:30am at the Bayview Restaurant.
(DWJ will be out of town)
